Application Fee Schedule

(Oversize/Overweight vehicles and loads)

Sections 5577.04 and 5577.05 of the Ohio Revised Code specify the maximum size and weight allowable that does NOT require a Special Hauling Permit. If you exceed any of those values and desire to travel on a Butler County road, or township road within Butler County, a Butler County Special Hauling Permit will be required.

Single Trip	**One Way**	**+ Return**
Oversize only	$65	$130

SUPERLOAD PERMIT

(Over 120,000 lbs, over 14' wide, over 14'6" high)

The following variables are taken into account:

- **W** = Total weight of load
- **A** = Number of Axles
- **M** = Total miles traveled
- **N** = Number of structures crossed
- **DAW** = Designed Axle Weight
- **Cr** = Cost per LEF
- **Cb** = Cost per Structure

Formula

$$\textbf{Total Cost} = \left(\frac{W/A}{DAW}\right)^4 x\ (CrM + CbN)$$

* Surcharge will be applied to electronic transactions.
