**Update Note(s):**

**PN 022 - 03/18/2025 - Encouraging Diversity, Growth, and Equity (EDGE)  
Utilization Plan and Good Faith Efforts**

The Contractor shall thoroughly review and comply with the PN 022. No paperwork is due to this office at this time. **There are no utilization plans or affirmations with EDGE.** However, affidavits of subcontractor payment are due within 45 days of the project's substantial work complete date. See [EDGE Affidavit of Subcontractor Payment | Ohio Department of Transportation](#) for the form to be used. Submit completed affidavits to [paymentaffidavits@dot.ohio.gov](mailto:paymentaffidavits@dot.ohio.gov). As with DBE, final EDGE attainment is based on the final contract amount, so you will need to increase your EDGE participation if the final contract amount is greater than the original contract amount. You must make a good faith effort to comply with the EDGE contract goal. If you are unable to comply with the EDGE contract goal despite making a good faith effort to do so, you will need to submit an EDGE waiver request (available at [EDGE Waiver Request | Ohio Department of Transportation](#)). Please take a look at the EDGE waiver request form so you'll know what kind of documentation you'd need to compile. It's a best practice to document your good faith efforts as you go so that if you eventually do have to submit a waiver request, you'll be prepared. As to any other requirement, I would refer you to the proposal as each project may be different
